Professional Design Firm Prequalification Application

The completed application will be sent to CDB.VendorReg@illinois.gov
by clicking the submit button at the end of this application

Original signatures are not required

CDB Website: https://cdb.illinois.gov

RETAIN A COPY OF YOUR COMPLETED APPLICATION

The prequalification process must be complete PRIOR to submitting an Architect-Engineer Qualifications CDB 330 Form.

Allow approximately 45 days for processing after a complete and accurate application is received in CDB offices.

It is the responsibility of each firm to maintain current information regarding prequalification. Firms are required to notify CDB within ten days of ANY material changes to information contained in this application. If any of the conditions in the application are violated by the firm or any responses are found to be materially untrue, prequalification of the firm will be rescinded.

The Illinois 30 ILCS 500 Procurement Code and Capital Development Board (CDB) rules require that professional design firms be prequalified. Firms interested in obtaining prequalification must complete this application form including a summary of professional services, relevant project work/experience and personnel.

Illinois Capital Development Board
Professional Firm Prequalification Application

General Instructions

Application Submittal

Please retain a copy of the completed application for reference.

The application must be completed in its entirety, as formatted. Please do not reformat. Please do not attach supplemental information unless specifically requested.

Once approved, each firm will receive a **Letter of Prequalification** indicating the prequalified discipline and expiration date via email to the contact provided. Please retain the letter for reference. CDB will send a **Notice of Expiration Letter** to the most recent email contact approximately 60 days prior to expiration; however, it is the responsibility of each firm to maintain prequalification.

Please allow at least 45 days for processing upon CDB's receipt of a complete application. While the application will be processed as quickly as possible, the review procedure is detailed. To ensure adequate processing time, CDB encourages timely executed submittals. Applications that are incomplete or contain errors will be returned for corrections. If a question does not apply, insert "NA" for not applicable. The prequalification process must be completed prior to submitting an Architect-Engineer Qualifications CDB 330 Form for any project. This application requires information on your firm only. Do not submit information on consultants. Consultants who perform design service licensed by the Department of Financial Professional Regulations must be prequalified separately with CDB.

The name of the firm submitted for prequalification must match the legal name of the firm: 1) registered with the Secretary of State to do business in Illinois along with any registered Assumed Name with the Secretary of State; 2) registered with the Illinois Procurement Gateway; 3) registered with the State Board of Elections; 4) registered with the Department of Human Rights and any required State of Illinois licensing.

Failure to comply with this requirement could result in delay or rejection of the prequalification application. Failure to comply could result in the delay or rejection of an Architect-Engineer Qualifications CDB 330 Form.

Department of Professional Regulation Requirements

Illinois law requires corporations, partnerships and sole proprietorships practicing architecture, professional engineering, structural engineering, or land surveying to be licensed with the Illinois Department of Financial and Professional Regulation ("IDFPR"). The licensing is required to be registered in the legal entity name registered with the Illinois Secretary of State matching the legal entity name applying for prequalification. Please visit the webpage Illinois Department of Financial & Professional Regulation for any helpful information. Please click on Contact Us on the webpage for further information. Please click on Access Online Services Portal for helpful information.

Illinois Department of Human Rights Number

To obtain an IDHR number, visit the IL Dept. of Human Rights webpage at https://dhr.illinois.gov click on Public Contracts, Where to Start. All Illinois office locations must have an active IDHR number, no matter the amount of employees, prior to a CDB bid opening or proposal submission. Each IDHR registration must show physical office location. Any questions, please contact the Attorney of the Day Line at 312-814/6262 or visit the webpage at https://dhr.illinois.gov and click on Contact IDHR at the bottom of the page. Firms must notify CDB of the assigned IDHR number. Please provide the IDHR certificate.

Illinois Procurement Gateway Registration Requirement

It is the responsibility of each firm to ensure registration in the Illinois Procurement Gateway ("IPG") is in process, completed or Active prior to submission of the Prequalification application. All firms must be registered as Prime or Prime and Subcontractor to fulfill the prequalification requirements. IPG registration is on an annual basis. It is the responsibility of each firm to ensure registration stays Active. Please visit the IPG webpage at https://ipg.illinois.gov. Please contact IPG at eec.ipg@illinois.gov or 217-782-1270 for any questions.

Provide the firm's IPG number & expiration date: _____

CDB Architects/Engineer Training

New firms are encouraged to complete CDB AE Project Manager Training during the first year of prequalification along with previously prequalified firms to maintain a staff member who has attended the training. Should the trained staff member leave the firm, we encourage another staff member to attend the training within one year. Please contact the CDB AE Training Coordinator at CDB.AEContTrn@illinois.gov or visit our website at http://cdb.illinois.gov, click on Doing Business, Architects/Engineers and click on AE Project Manager Training to view the schedule. Click on Register Here to register for a scheduled training. Please provide the AE Training certificate with the application or send to CDB.VendorReg@illinois.gov after completion of the training. CDB encourages firms to stay aware of current policies and procedures.

Please visit the CDB webpage Project Management Training for Architect's and Engineers for more information CDB's Project Management Training for Architects and Engineers.

DRUG FREE WORKPLACE ACT

The Firm, by signing this application, agrees to comply with the provisions of the DRUG FREE WORKPLACE ACT (30 ILCS 580/1 et seq). Certification must be completed by all applicants; however, the requirements specified in paragraphs (a) through (g), apply only when the firm performs a contract for $5,000.00 or more *and* when, at the time of entering said contract, the firm has 25 or more employees (full or part-time).

If the above applies, no grantee or contractor shall receive a grant or be considered for the purposes of being awarded a contract for the procurement of any property or services from the State unless that grantee or contractor has certified to the granting or contracting agency that it will provide a drug free workplace by:

(a) Publishing a statement:

- (1) Notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance including cannabis is prohibited in the grantee's or contractor's workplace
- (2) Specifying the actions that will be taken against employees for violation of such prohibition.
- (3) Notifying the employee that, as a condition of employment on such contract or grant, the employee will:
  - A. abide by the terms of the statement; and
  - B. notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than 5 days after such conviction.

(b) Establishing a drug free awareness program to inform employees about:

- (1) the dangers of drug abuse in the workplace;
- (2) the grantee's or contractor's policy of maintaining a drug free workplace;
- (3) any available drug counseling, rehabilitation, and employee assistance programs; and
- (4) the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace.

(c) Making it a requirement to give a copy of the statement required by subsection (a) to each employee engaged in the performance of the contract or grant and to post the statement in a prominent place in the workplace.

(d) Notifying the contracting or granting agency within 10 days after receiving notice under part (B) of paragraph (3) of subsection (a) from an employee or otherwise receiving actual notice of such conviction.

(e) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is convicted, as a required by Section 5.

(f) Assisting employees in selecting a course of action in the event drug counseling, treatment, and rehabilitation is required and indicating that a trained referral team is in place.

(g) Making good faith effort to continue to maintain a drug free workplace through implementation of this Section.
