

State of Illinois Capital Development Board (CDB) and Berwyn Development Corporation Invites You To Attend:

The CDB General Information Outreach

We invite all firms that are contractors, subcontractors, engineers, architects, suppliers, and professional services to learn about all of CDB's bidding process, prequalification process, diversity requirements, and upcoming CDB construction & design projects.

The Capital Development Board will strive to ensure that our state's diverse communities are reflected throughout CDB's public service and vertical infrastructure efforts across the State.
