

State of Illinois Capital Development Board (CDB), State Representative Rita Mayfield, and Greater Waukegan Development Coalition

Invites You To Attend:

The CDB General Information Outreach

We invite all firms that are contractors, subcontractors, engineers, architects, suppliers, and professional services to learn about all of CDB's bidding process, prequalification process, diversity requirements, and construction opportunities.

The Capital Development Board will strive to ensure that our state's diverse communities are reflected throughout CDB's public service and vertical infrastructure efforts across the State.
