What is Commitment to Diversity?

Created by a first of its kind legislation, the Commitment to Diversity (C2D) evaluation factor added to the Request for Proposal (RFP) procurement process offers the state the opportunity to further impact Diversity, Equity, and Inclusion (DEI) through state procurement. Utilizing five nationally recognized evaluation criteria, the C2D evaluation, equal to 20% of the solicitation's technical score, encourages offerors to increase their investment in Women, Minorities, and Persons with Disabilities (WMD) businesses and organizations. The new evaluation factor creates new and exciting opportunities for offerors to not only impact their business and local community, but to help create systemic change.
