

Capability Statement: SMB Contracting Inc.

Overview

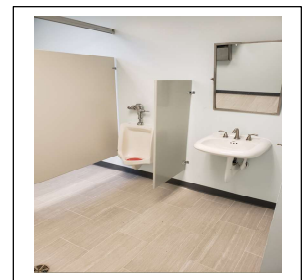

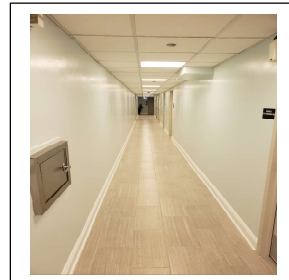

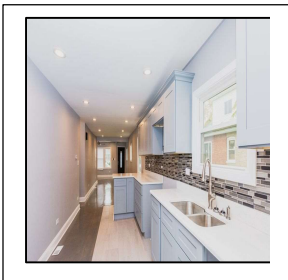

Established over 15 years ago, SMB Contracting Inc. has renovated over 150 homes in the Chicagoland area and has assisted with remodeling and new construction of office spaces. We hold MBE and Section 3 Certifications, are qualified with the Capital Development Board (CDB), and have been a successful Tier 6 JOC Contractor with CHA for a number of years. SMB is dedicated to delivering a high level of quality and service to our clients. In addition, we assist in emergency repairs and situations.
