

**Meeting Room/
Connected
Classrooms**

Contact: NICCS Steering Committee & Focus Groups

Programmers: M. Bell (TKB), T. Russell (Epstein)
V. Grzyb (TKB)

Nature of Operations Two equal rooms with parallel function that are connected to create one large room.

Operating Essentials The room shall have AV flat screen presentation and controls, collaborating tools including whiteboards (or whiteboard walls) and teleconferencing capabilities; this shall be designed for either room configuration.
Will have flexible furniture, that is modular/movable and can be easily stored.
Must be designed for dividing room into two seminar rooms in simultaneous use (movable wall).
Provide power and data access for all room occupants (walls or furniture mounted).
