The prohibition also extends to contributions made by various affiliated persons and businesses of a business entity that is subject to the prohibition. Section 50-37 requires that notice of violation of the prohibition and the penalty imposed is to be published in the Illinois Register.
2. Name of Contributor: George Lombard, Chief Executive Officer, The Lombard Company.

At the time of the contribution, Bruce Rauner was a declared candidate for the office of Governor, and The Lombard Company was prohibited from making a contribution for a period of two years after expiration or termination of contracts with the Capital Development Board, the total annual combined value of which was in excess of \$50,000.
5. Summary of Action Taken by the Agency: Section 50-37 requires that when three prohibited contributions are made by a business entity within a 36 month period, that all contracts between State agencies and that business entity shall be void and that business entity shall not bid or respond to any invitation to bid or request for proposal from any State agency, or otherwise enter into any contract with any State agency for 3 years from the date of the last violation.
