The Illinois Capital Development Board (CDB) will be utilizing e-Builder® as a Project Management Information System tool for **QBS Selection and Construction Bidding**.

CDB will be hosting free virtual training sessions and workshops for both Architectural and Engineering firms (QBS) and Construction Contractors (Construction Bidding) in November and December as part of its transition to the e-Builder® System.

The workshop dates and times are below:

A. Architectural and Engineering Firms - Qualification Based Selection

Wednesday, November 15: 1-2 PM CT

Wednesday, December 13: 1-2 PM CT

B. Construction Contractors - Construction Bidding

Wednesday, November 29: 1-2 PM CT

Wednesday, December 20: 1-2 PM CT

Here is the [form](#) to sign up for a session. Please complete the form to indicate your preferred date for the workshop. The meeting invite will be sent to you two (2) days prior to the session. Please keep in mind that registrations for the training will be closed 48 hours prior to the training date.

All the workshops will be recorded and the recording link will be sent to the attendees after the workshops.

All questions can be directed to cdb@onindus.com
