Project Number:	<u>630-012-004</u>	Date RFP posted	<u>January 29, 2020</u>
Project Description	<u>Construct Salt Storage Building</u>		
Project Location	<u>Grayslake, Lake County</u>		
Project Manager	<u>Dan Bielski</u>	Date due	<u>March 4, 2020 2:00PM</u>
	<u>Suite 14-600</u>		
	<u>100 W. Randolph St.</u>		
	<u>Chicago, IL 60601</u>	Submit Proposal	<u>Suite 14-600</u>
Phone Number	<u></u>	To:	<u>100 W. Randolph St.</u>
Fax Number	<u></u>		<u>Chicago, IL 60601</u>
e-mail	<u>CDB.630-012-004@illinois.gov</u>		

Brief Description of Project:

Elements of this project includes construction of a permanent pre-engineered fabric roof salt storage building capable of storing 10,000 tons of salt. The scope may consist of, but is not limited to siting, electrical, ventilation, overhead and personnel doors, concrete structural walls, foundation and footings. Demolition of an existing unused cold storage building on site may be required.

Project Budget (Design and Construction) Project	\$ <u>1,946,500.00</u>
Time (Design and Construction) from ATP	<u>270</u> Days

Statement of Compliance

**Offeror* hereby certifies that all items submitted in this proposal and final design documents (after contract award) comply with the RFP requirements. The criteria specified in the RFP for Project No. 040-010-115 are binding contract criteria and in case of any conflict after award between the RFP and the contractor's proposal, the Request for Proposal criteria shall govern unless there is a written and signed agreement between the contractor and the CDB waiving a specific requirement. Should this proposal result in the award of a contract this statement will be included on each sheet of the drawings and on the cover of the specifications.
