
CALL TO ARTISTS

The Art-in-Architecture Program of the Capital Development Board is pleased to announce a Request for Qualifications (RFQ) to Illinois professional artists to create permanent original public art for the Abraham Lincoln Presidential Library and Museum (ALPLM) in Springfield, Illinois.

Final Deadline: Friday, June 28, 2019

4:30 P.M.

APPLICATION BEFORE THE FINAL DEADLINE IS HIGHLY ENCOURAGED.

ELIGIBILITY

These public art commissions and potential purchases are open to all professional artists, artisans, or artist-led teams *that live and work in the state of Illinois*.

- An artist/artisan is defined as a skilled practitioner that generates designs and concepts for creative works that reflect form, beauty, and aesthetic perception. All artists on a team must be from Illinois.
- Subcontractors may be used and are defined as those providing technical implementation such as construction, fabrication, and/or assembly for portions or all of a finished product under direct supervision and control of an artist.
- Staff of the ALPM are not eligible to apply for this commission.

PROJECT SUMMARY

The Abraham Lincoln Presidential Library and Museum Complex covers three city blocks and is made up of Union Square Park, the Abraham Lincoln Presidential Library (ALPL), and the Abraham Lincoln Presidential Museum (ALPM.)

Union Square Park, across Sixth St. from the ALPM, is the site of the restored Union Station. The station, with its soaring clock tower was fully restored in March 2007 and now anchors a park used for ALPLM events.

The ALPL, founded in 1889 at the Illinois State Historical Library, houses the world's largest archive of materials on the life and legacy of Abraham Lincoln and an unparalleled collection on the history of Illinois.

The ALPM documents the life of Abraham Lincoln, the course of the Civil War and showcases a variety of changing exhibits from rare Lincoln-related artifacts to baseball. Over 250,000 visitors explore the ALPM each year.

PROJECT SITE

The Committee is interested in an exterior piece, pieces, or installation on the east side of the ALPM building located at the corner of Seventh and Jefferson Streets. See below.

Jefferson St., also the path of Illinois Route 97 West, is a very busy Springfield thoroughfare used heavily by residents, visitors, and travelers. According to the Illinois Dept. of Transportation, Jefferson St. sees an average daily traffic count of over 10,000 vehicles per day at this location.

Because of the nature of the stone face of the buildings, the artwork will have to be self supporting and cannot attach directly to the stonework with any kind of mechanical fastener.

The piece must be durable, safe, and cost effective to maintain and must be able to endure the rigors of the Illinois climate.

ARTISTIC OBJECTIVES

The Committee does not wish to be limited strictly to Lincoln iconography and would like to explore themes that resonate throughout the study of Lincoln's life including: freedom, liberty, humility, honesty, and ambition.

The addition of artwork to this corner will enliven and activate the exterior of the building. It will also serve as a wayfinding aid for travelers and a welcome to visitors and Springfield residents approaching the downtown area from the east.

BUDGET DETAILS

The budget for the project is \$210,000.00.

This budget covers all expenses associated with, but not limited to the project design, labor, fabrication, project management, materials, tools, contracted services, operations and meetings, and travel required to complete the artwork plus installation, related permits, licenses, taxes and insurance, and transportation and delivery of the work to the site, as well as documentation of the completed project. Any expense that exceeds the contracted amount will be the artist's responsibility.

The artist is responsible for working with the Capital Development Board Art-in-Architecture Program, the using agency, and other relevant partners to oversee all aspects of the art installation.

SELECTION PROCESS

At least three artists/teams will be selected from the pool of eligible artists/teams and paid a fee of \$2,500.00 each to develop and present site specific proposals.

Letters will be sent to the selected artists/teams with details of the proposal process and contracts.

Do not send a proposal unless you have been contacted by the Art-in-Architecture Coordinator.

LEGAL AGREEMENT

The Capital Development Board Art-in-Architecture Program reserves the right to alter any aspect of the selection process or overall project in any way for its own convenience at any time. This Request for Qualifications does not constitute either an expressed or implied contract and these provisions are subject to change.

ABOUT THE ART-IN-ARCHITECTURE PROGRAM

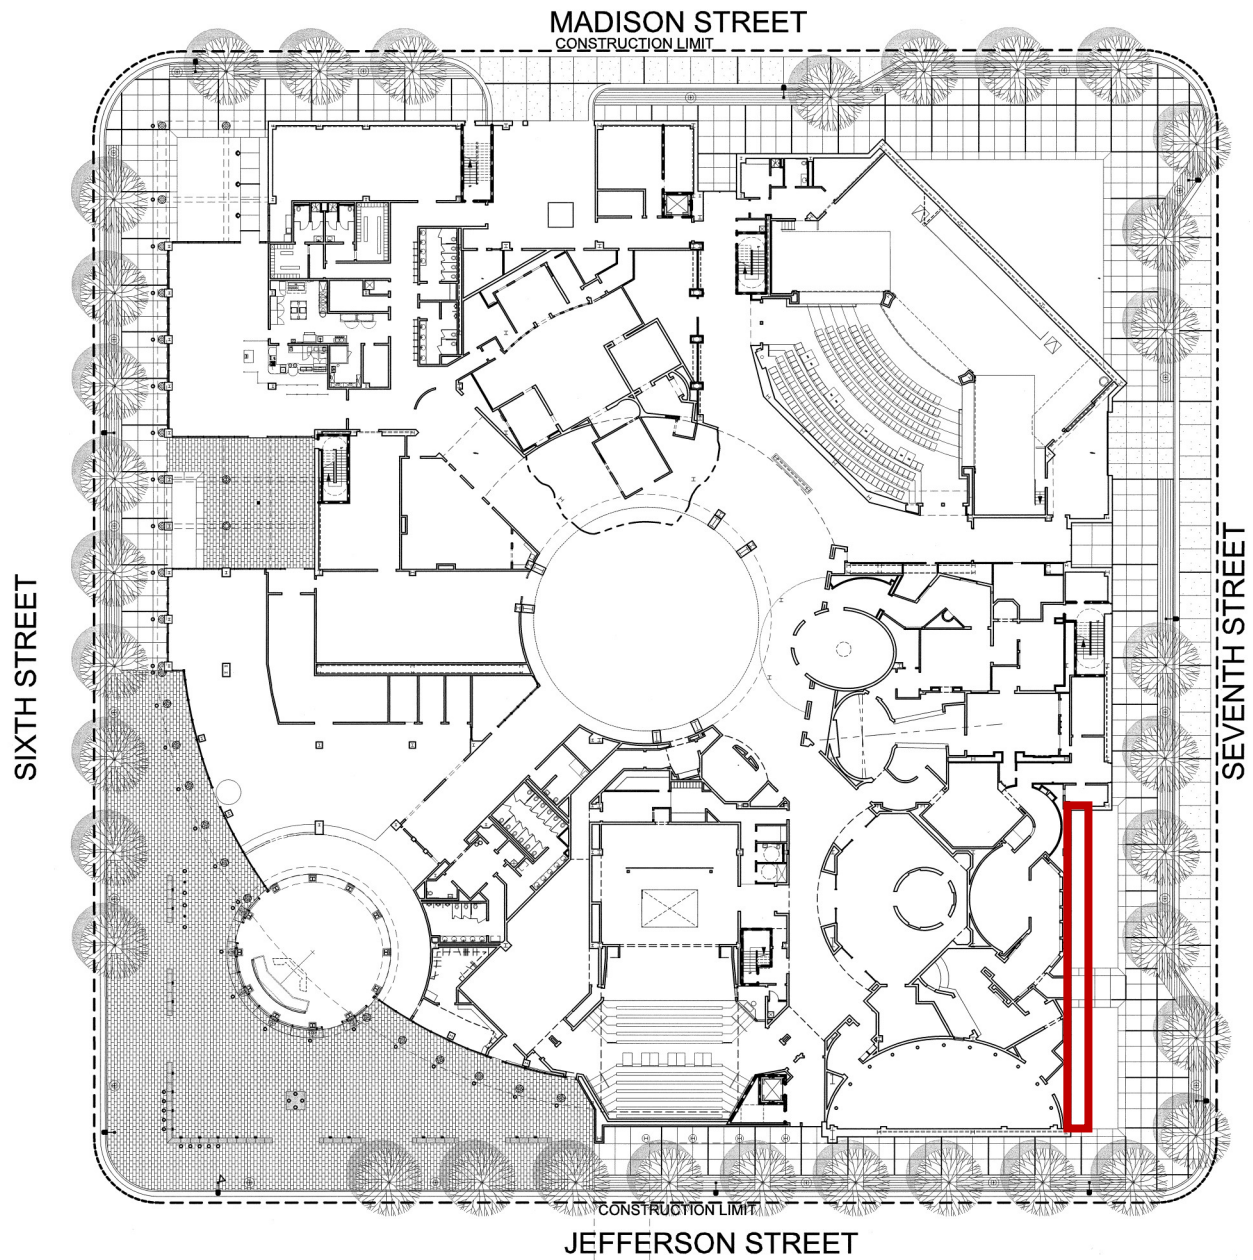

The Illinois Art-in-Architecture Program promotes and preserves Illinois art and enriches communities by commissioning original artwork for public buildings constructed with State funds.

The enabling legislation for the Program requires that the Capital Development Board “shall set aside 1/2 of 1 percent of the amount authorized and appropriated for construction or reconstruction of each public building financed in whole or in part by State funds and generally accessible to and used by the public for purchase and placement of suitable works of art in such public buildings.” A committee including art professionals and the project architect, and oversees each project and selects the artwork.

Since its inception in 1977, the Art-in-Architecture Program has purchased or commissioned works of art by Illinois artists for public display throughout Illinois. For more information visit www.illinois.gov/cdb/services/art.
