Request for Qualifications

Triton College

Health & Science Building

River Grove, Illinois

Project Number: 810-096-030

CALL TO ARTISTS

The Art-in-Architecture Program of the Capital Development Board is pleased to announce a Request for Qualifications (RFQ) to Illinois professional artists to create permanent original public art for the Health and Science Building at Triton College in River Grove, Illinois.

Deadline: Friday, November 30, 2018
4:30 P.M.

ELIGIBILITY

These public art commissions and potential purchases are open to all professional artists, artisans, or artist-led teams *that live and work in the state of Illinois*.

- An artist/artisan is defined as a skilled practitioner that generates designs and concepts for creative works that reflect form, beauty, and aesthetic perception. All artists on a team must be from Illinois.
- Subcontractors may be used and are defined as those providing technical implementation such as construction, fabrication, and/or assembly for portions or all of a finished product under direct supervision and control of an artist.
- Faculty, instructors, and staff of Triton College are not eligible to apply for this commission.

PROJECT SUMMARY

Triton College is a two-year institution of higher education dedicated to student success. Located 14 miles from downtown Chicago, in River Grove, the school offers close to 100 degree and certificate programs at its 100-acre campus that features a comfortable, friendly and diverse atmosphere. More than 12,000 students enroll at Triton each year to take advantage of Triton's small, accessible classes, qualified faculty, affordability and financial assistance.

An existing 49,200 sf college building was transformed into a state-of-the-art 71,200 sf Health and Science Building. Programs housed in the new building include:

- Diagnostic Medical Sonography
- Emergency Management
- Nursing
- Nurse Assistant
- Emergency Medical Technology

- Facilities Engineering Management
- Fire Science Technology
- Nuclear Medicine Technology
- Ophthalmic Technology
- Radiologic Technology
- Surgical Technology
- Eye Care Assistant
- Medical Assistant

For more information about the campus go to <http://www.triton.edu>.

ARTISTIC OBJECTIVES

The committee is interested in an interior statement piece, pieces, or permanent installation for the space. The artwork can be free standing, wall mounted or ceiling mounted. They have no preferred theme, media, or format.

The piece must be durable, safe, and cost effective to maintain.

PROJECT SITE

The artwork will be located in the Health and Science Building (Building H.) The facilities in the building replicate a state-of-the-art hospital experience with sophisticated tools and equipment in simulated patient rooms, surgical suites, nuclear medicine labs, and other medical spaces.

During planning and construction, the Commons was designated for artwork. However, the committee is open to artwork or permanent installations in any other public spaces in the building including the Commons stairwell.

See the end of this document for additional plans and images that show the public areas of the building.

BUDGET DETAILS

The budget for the project is \$49,300.00.

This budget covers all expenses associated with, but not limited to the project design, labor, fabrication, project management, materials, tools, contracted services, operations and meetings, and travel required to complete the artwork plus installation, related permits, licenses, taxes and insurance, and transportation and delivery of the work to the site, as well as documentation of the completed project. Any expense that exceeds the contracted amount will be the artist's responsibility.

The artist is responsible for working with the Capital Development Board Art-in-Architecture Program, the using agency, and other relevant partners to oversee all aspects of the art installation.

SELECTION PROCESS

Three artists/teams will be selected from the pool of eligible artists/teams and paid a fee of \$1,500.00 each to develop and present site specific proposals .

Letters will be sent to the selected artists/teams with details of the proposal process and contracts.

Do not send a proposal unless you have been contacted by the Art-in-Architecture Coordinator.

LEGAL AGREEMENT

The Capital Development Board Art-in-Architecture Program reserves the right to alter any aspect of the selection process or overall project in any way for its own convenience at any time. This Request for Qualifications does not constitute either an expressed or implied contract and these provisions are subject to change.

ABOUT THE ART-IN-ARCHITECTURE PROGRAM

The Illinois Art-in-Architecture Program promotes and preserves Illinois art and enriches communities by commissioning original artwork for public buildings constructed with State funds.

The enabling legislation for the Program requires that the Capital Development Board "shall set aside 1/2 of 1 percent of the amount authorized and appropriated for construction or reconstruction of each public building financed in whole or in part by State funds and generally accessible to and used by the public for purchase and placement of suitable works of art in such public buildings." A committee including art professionals and the project architect, and oversees each project and selects the artwork.

Since its inception in 1977, the Art-in-Architecture Program has purchased or commissioned works of art by Illinois artists for public display throughout Illinois. For more information visit www.illinois.gov/cdb/services/art.
